# SHOPPING CENTER BEAUGRENELLE

**PROJECT MANAGEMENT /  
ARCHITECT**  
Valode&Pistre

**REALISATION**  
2020

**SADEV CUSTOMER**  
VERRE ET METAL

**SURFACE**  
9 100 m<sup>2</sup>

- THIS PROJECT REQUIRED 2,600 ML OF SABCO GUARDRAILS

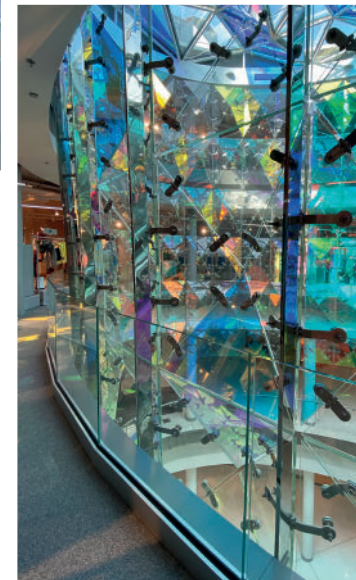

Shopping center located in the 15th arrondissement of Paris that will welcome in November 2019 the prestigious Galerie Lafayette store on the upper floor.

The arrival of this «department store has led to the renovation of the floor. VP Design then redesigned the architecture by dressing the new interior window with a «glass origami in the colors of time».

### The role of SADEV

Search for aesthetic and efficient solutions / Design, modeling and manufacturing / Calculation and FEM for justification / Respect of a delivery schedule «mission impossible»!
